\*Major electives must be selected from an approved list of courses. See your undergraduate catalog.

\*\*Many students choose to complete this experience the summer following their final semester in order to have more flexibility with location and their schedule.

\*\*\*SED 363 is no longer being offered and therefore the course will be waived for students in the 2001-2002 and earlier catalogs. The number of hours required for the major will be reduced by 3. Students still must have 120 hours to graduate.
